Romantic EXCURSIONS

St. Kitts is an invitation to be liberal with your joy and hold none of it back. As you embark on these bold adventures with your favorite person, give in to a shared sense of wonder, discovery and rediscovery.

FIND *your* ROMANCE

In St. Kitts, falling in love is a joyful journey. Like most adventures on the island, it's made up of equal parts sweet surprise and simple pleasures. Peace and quiet, fresh food, pristine coastal vistas and bold, off-the-grid excursions call to couples seeking the thrill of a new experience— together.

Sunset on *the water*

Take to the water on a local catamaran. On an island where quality time can look different every time, there's something special and serene about an evening cruise with your sweetheart.

Dinner for *two*

Indulge in fine dining experiences helmed by the island's finest restaurateurs or open-air beachside hangouts featuring fresh island flavors.

Go *for* a ride

Embark on a guided horseback ride through mountain trails lined with local flora. Arrive at an open meadow overlooking Basseterre and enjoy quiet time with your gentle companions.

Slip *away*

There's no better way to connect with your partner than a soothing massage, powered by the nurturing properties of St. Kitts' native flowers, spices, and volcanic stones.

Find *your* zen

Deepen your relationship—and your sense of mindfulness—with a partnered yoga practice that strengthens mind, body, and soul.

High *adventure*

The lush rainforests of St. Kitts are ripe for soul-stirring discovery. Explore them hand-in-hand, and learn about the flora and fauna native to the island as you trek into the forest's center.

Tying THE KNOT

The day you've been dreaming of begins with a walk down the aisle and an "I Do." From the historic grounds at Brimstone Hill to the golden shores of Carambola Beach Club, add an enchanting chapter to your love story by setting your ceremony in St. Kitts.

BEFORE YOU WALK DOWN the aisle

Committing to a lifetime of love is easy when you're in St. Kitts. Couples looking to obtain a marriage license only need to provide:

- A valid passport or photo ID.
- An original or certified copy of your birth certificates.
- If you're divorced, a decree absolute (an original or certified copy showing the court's stamp or seal).
- If you're widowed, a copy of the death certificate of the deceased spouse.
- If documents are not in English, they must be accompanied by a notarized translation.

The license fee for getting married on St. Kitts is \$200.00 (XCD).
The Justice of the Peace may incur an additional fee.

Services

CATHOLIC WEDDINGS

If a Catholic priest is to perform the ceremony, the couple must receive marriage counseling sessions from their parish priest and submit the required Catholic documents. A letter must come from the couple's resident priest verifying that they are unmarried and that they have received the necessary instructions. All Catholic weddings take place in the church.

OTHER RELIGIONS

If an Anglican or other minister of religion is to perform the ceremony, it is recommended to bring a letter from the couple's resident minister verifying that they are known and unmarried. Counseling sessions may be a requirement but can be done by the couple's resident priest.
