

## **Bahamas MICE Air Credit Reimbursement Programme**

The Bahamas Air Credit Reimbursement Programme supports meeting planners in Europe who are considering the Islands of The Bahamas for Meetings, Incentives, Conferences and Events programmes. This credit is designed to assist with site visits for planners and clients who have shortlisted The Bahamas for future programmes.

### **Current Programme Details:**

- Up to £500 per person reimbursement on airfare, for a maximum of two planners
- Planners are required to submit supporting documentation, including an RFP, company profile, and airline ticket details, by completing the application form
- Clients/vendors are responsible for booking their own travel arrangements
- The Bahamas Ministry of Tourism, Investments and Aviation will reimburse the client after travel has been completed
- Clients must provide proof of travel (airline ticket), along with an invoice on company letterhead requesting payment
- The Bahamas Ministry of Tourism, Investments and Aviation will assist with airport transportation, as required
- Should clients/vendors wish to conduct site inspections on additional islands within The Bahamas, The Bahamas Ministry of Tourism, Investments and Aviation will assist with domestic flights or ferry transport

Note: The credit is not guaranteed until approval has been confirmed.
